Assistant Commissioner of Patents
Washington, D.C. 20231Att: Petitions Attorney – Patricia Faison-Ball
Sir:

Applicant hereby petitions the Commissioner under 37 C.F.R. § 1.181 for withdrawal of the holding of abandonment of the application referenced above. We believe no fee is due in connection with this petition; however, if a fee is required, please charge our Deposit Account No. 19-0733.

Statement of Facts

1. The application referenced above was filed in the United States Patent and Trademark Office on April 13, 2001. The application was filed with seven sheets of formal drawings containing Figures 1-6, an executed Declaration of the inventor, and an Assignment. As indicated on the postcard attached as Exhibit 1, the application was accorded Serial No. 09/833,962 and a filing date of April 13, 2001.

2. On August 7, 2002, the undersigned attorney, Richard Irving, contacted Ms. Janice Tippett of the OIPE-Missing Parts Center at the United States Patent and Trademark Office to determine the status of this application. Ms. Tippett informed Mr. Irving that a Notice to File Corrected Application Papers was mailed from the United States Patent and Trademark office on June 5, 2001. Ms. Tippett faxed a copy of this Notice to Mr. Irving on August 7, 2002. A copy of the Notice is attached as Exhibit 2. Prior to August 7, 2002, the Notice had not been received at Banner & Witcoff. Further, the PAIR system did not indicate that the Notice had been sent by the United States Patent and Trademark Office. A copy of the printout from the PAIR system is attached as Exhibit 3. In addition, the PAIR system did not indicate that the application was abandoned.

3. As evidence that the Notice to File Corrected Application Papers was not received, a copy of the Banner & Witcoff PTO Log from June 5, 2001 through June 30, 2001 is attached as Exhibit 4. This is the time period during which the Notice to File Corrected Application Papers would likely have been received.

4. Including time for possible extensions, Applicant would have had until January 5, 2002 to respond to the Notice to File Corrected Application Papers, after which time a Notification of Abandonment should have been received. However, the PTO Log had been checked from January 5, 2002 through January 31, 2002 and no Notification of Abandonment had been received. A copy of Banner & Witcoff's PTO Log for these dates is attached as Exhibit 5.

Point to be Reviewed

Technically, Applicant's representative is assuming that since so much time has elapsed from the time the Notice to File Corrected Application Papers was mailed, the application has been abandoned even though a Notification of Abandonment has also never been received.

Filed concurrently herewith is a Submitted of Formal Drawings, in which the formal drawings have been corrected in accordance with the requirements set forth in the Notice to File Corrected Application Papers.

Action Requested

Applicant requests that the formal drawings be accepted and the status of the application be considered active.

Respectfully submitted,

By: Richard C. Irving
